PRINCIPAL'S MESSAGE	
<p>Dear Glennon Heights Families,</p> <p>I would like to extend a warm welcome back to all our returning and new Glennon Families! The school has undergone some great upgrades over the summer. Although some of the projects are still not completed, we are ahead of schedule and all the work should be finalized prior to students coming on August 16th. Some of the updates include new carpet in the majority of the building including classrooms and all hallways, new flooring in the gym, and upgrades to our playground. You might have also seen that they have started the demolition to the temps behind the building. This is work that has been in the scope of this project for the last few years and is in no way an indicator of a future school closure. Below is a before and after picture of our new carpet in the hallway. Please join us on Back to School Night to see all of the improvements.</p>	

On August 12th, we will host Back to School Night from 5-6:30 pm. At this special event your student will learn who they will have as their teacher for the 22-23 school year and have an opportunity to see their new classroom. This will also be a time for students to drop off their materials and to gather socially outside with their peers and other families. There will be time embedded in the schedule in which all families will be able to listen as I address the Glennon community on the upcoming school-year. I hope everyone is enjoying their summer! Let's make this another wonderful year!

Please feel free to reach-out to the office if you have any questions. 303-982-8240

Sincerely,  
Kevin Kolasa  
Principal, Glennon Heights Elementary

#### UPDATING STUDENT INFORMATION

Hello Glennon Families, welcome you to the 2022-23 school year!

Below is a screenshot of your family portal page (image 1). If you have not already done so we encourage you to go in and update any of your students' information that may have changed over the summer. Once you have completed that step, click on the “more” tab on the left side of your screen it will show the Quick Links tab. (image 2)

We would like for **ALL** families, even if you don't think you would qualify, to apply for the free and reduced lunch program. Breakfast and Lunches will not be free for everyone as they have been the past few years. The cafeteria will be sending out fee statements for those who owe money in their accounts. **Qualifying for the Free and Reduced lunch program can help raise much needed funds for our school and can also eliminate your student's school fees for those that qualify.**

You can also pay for **all** of your student's school fees (even if they don't attend Glennon Heights) from your Family Portal page, it's right above the Free and Reduced Meal Application link, titled [Jeffco Student Fee Payments](#).
